Key Terms

Electronic Filing (e-file): The computer transmission of a tax return directly to the IRS.

Form W-4: Employee's Withholding Allowance Certificate, used by an employer to determine how much to withhold from an employee's paycheck for federal income tax purposes.

Withholding Allowance: Claimed by an employee on Form W-4. An employer uses the number of allowances claimed, together with income earned and marital status, to determine how much income tax to withhold from wages.

Withholding Tax: Income tax is withheld from the pay of most employees. Income tax may also be withheld from gambling winnings, pensions/annuities, unemployment compensation, and certain federal payments, such as social security. In some cases, income tax may be withheld on other types of income, such as interest or dividend income.
