Time Required: 10 minutes

Introduction	Objectives	Topics

Key Terms

Exemptions: An exemption is a dollar amount that can be deducted from an individual's total income, thereby reducing the taxable income. The deduction for personal exemptions is suspended (reduced to \$0) for tax years 2018 through 2025 by the Tax Cuts and Jobs Act. Although the exemption amount is zero, the ability to claim an exemption may make taxpayers eligible for other tax benefits.
