Income – Unemployment Compensation

Time Required: 15 minutes

Introduction	Objectives	Topics
This lesson will help volunteers assist taxpayers who received unemployment compensation payments.	Identify unemployment compensation income. Determine how to report unemployment compensation on the tax return.	  Unemployment Compensation Defined Reporting Unemployment Compensation

Key Terms

Earned Income (Tax) Credit (EITC or EIC): A credit that can be paid to low-income workers, even if no income tax was withheld from the worker's pay. To receive the credit, a taxpayer must file a tax return. Unemployment income is not considered earned income for the purposes of calculating EITC.

Unemployment compensation: Generally includes any amount received under an unemployment compensation law of the United States or of a state in the U.S. In most cases, unemployment compensation is taxable.
